933 Castlereagh Road,  
Castlereagh NSW 2749

Feeding can be complicated; age, breed, gender and exercise regime all play a part in your animal's overall condition and nutritional requirement. All animals always need free access to plenty of fresh cool water and a regular worming regime. We recommend you seek professional advice from your veterinarian or equine nutritionist should you require any further assistance in enhancing performance and condition of your animal.

To the maximum extent permitted by law, Castlereagh Feeds shall not be held liable for any losses resulting from the use or misuse of information contained on this brochure.

## COOL, CONDITIONING PELLETS FOR PEAK SHOW PERFORMANCE

Oat free conditioning diet for easy and controlled weight gain. Our blend of fatty acids from soy meal, Molafof EzGlo and canola oil is effective for skin condition and coat gloss.

The Pro Show low grain, no oat formula is a balanced cool conditioning feed that provides a slow release of energy that will assist with mental focus and manageability of your horse or pony in the ring or on the training field.

Highly palatable steam rolled barley and canola oil for cool, conditioning energy.

Pro Show pellets are high in protein and minerals that aid in quick recovery, muscle repair and development. Keeping your horse in peak condition, building muscle tone that will promote a powerful top line.

High quality lucerne meal to assist in maintaining a healthy gut.

### Ingredients

Steam rolled barley, lucerne meal, crushed lupins, wheat pollard, wheat bran, soy meal, Molafof EzGlo, canola oil, dicalcium phosphate, calcium carbonate (limestone), salt and ECS nutrition premix.
