Castlereagh NSW 2749

Feeding can be complicated; age, breed, gender and exercise regime all play a part in your animal's overall condition and nutritional requirement. All animals always need free access to plenty of fresh cool water and a regular worming regime. We recommend you seek professional advice from your veterinarian or equine nutritionist should you require any further assistance in enhancing performance and condition of your animal.

To the maximum extent permitted by law, Castlereagh Feeds shall not be held liable for any losses resulting from the use or misuse of information contained on this brochure.

# ECONOCOOL

## All Purpose Feed

### GREAT ECONOMICAL ALL PURPOSE FEED FOR YOUR HORSE, CATTLE, SHEEP, GOATS & RABBITS

Castlereagh EconoCool is an ideal pellet for cool energy, packed with 100% all natural goodness. An economical, palatable, easy to feed pelleted formula for horse resting or in light work.

-  All natural pellets delivering a healthy balanced diet for your horse, cattle, sheep, goats and rabbits.
-  Added essential minerals and vitamins, including key electrolytes sodium and chloride, lysine based amino acids for improved protein absorption, calcium for stronger bones and biotin for healthier hooves.
-  Econocool pellets have been created through our gentle steaming process, locking in the natural nutrition for easier digestion & absorption.
-  Contains high levels of fibre to promote gastrointestinal health in your animals.

### Ingredients

Wheat pollard, wheat bran, salt, calcium carbonate (limestone) and Castlereagh Premium Vitamin & Mineral pre-mix.
