Feeding can be complicated; age, breed, gender and exercise regime all play a part in your animal's overall condition and nutritional requirement. All animals always need free access to plenty of fresh cool water and a regular worming regime. We recommend you seek professional advice from your veterinarian or equine nutritionist should you require any further assistance in enhancing performance and condition of your animal.

To the maximum extent permitted by law, Castlereagh Feeds shall not be held liable for any losses resulting from the use or misuse of information contained on this brochure.

PROTEIN (%)	FAT (%)	FIBRE (%)	DIGESTIBLE ENERGY (Mj/Kg)	SALT MAXIMUM (%)
16.9	5.3	9.8	12.4	1.0

A CONCENTRATED COMPLETE FEED FOR EQUINE SENIOR CITIZENS

When only the best feed will do for your trusty ol' mate, Castlereagh SeniorCool is the ideal pellet feed with all the right vitamins, mineral, protein and cool energy to ensure your ol' mate is looking good and feeling great.

All natural, complete pelleted feed promoting optimal health.

Digestible, slow-release conditioning energy for older horses resting or in work.

Essential Omega -3 & -6 fatty acids to promote overall health, body and coat condition, bone-strengthening calcium (in two forms) and phosphorus in a balanced ratio, key electrolytes including sodium and chloride.

High quality Lucerne meal to assist in maintaining a healthy gut. Fortified with premium quality natural proteins from soy and lupin meals to assist with muscle mass.

Ideal for our horses with a sensitive tummy, missing teeth, recovering from sickness, illness or surgery. SeniorCool can also be fed to the kids pony club mount or for keeping spelled horses quiet in the paddock.

Ingredients

Steam rolled barley, lucerne meal, wheat pollard, wheat bran, crushed lupins, soymeal, Molafos EZ Glo, canola oil, dicalcium phosphate, calcium carbonate (limestone), salt and ECS Nutrition premix.
