Castlereagh bags are not water proof or UV resistant and must be stored in a cool, dry, covered area out of the weather and direct sunlight. All grain products will attract pests and rodents, to avoid contamination we recommend keeping this product in a sealed, sturdy container. Feeding can be complicated; age, breed, gender and exercise regime all play a part in your animal's overall condition and nutritional requirement. All animals always need free access to plenty of fresh cool water and a regular worming regime. We recommend you seek professional advice from your veterinarian or equine nutritionist should you require any further assistance in enhancing performance and condition of your animal. To the maximum extent permitted by law, Castlereagh Feeds shall not be held liable for any losses resulting from the use or misuse of information contained on this brochure.

ALL NATURAL, HIGH ENERGY, CONDITION ENHANCER

All natural, high energy, concentrated conditioning grain mix. Castlereagh ProShine is specifically designed for keeping your horse looking good and feeling great. ProShine is an ideal feed for enhancing condition on young thoroughbreds commencing their pre training and those in moderate work.

-  Premium quality ingredients to maximise digestibility.
-  Contains high quality lupins for protein to enhance performance and recovery.
-  Highly palatable steam rolled grains including barley & oats. Black Sunflower seeds for additional protein and coat conditioning.
-  Castlereagh's own premium equine multi-vitamin premix. Formulated to optimise your horse's health and vitality.
-  Our processing is minimal to help lock in goodness often lost in processing.
-  Great tasting with added molasses (Molafos EzGlo) and cold pressed canola oil to enhance palatability.
